Foreword

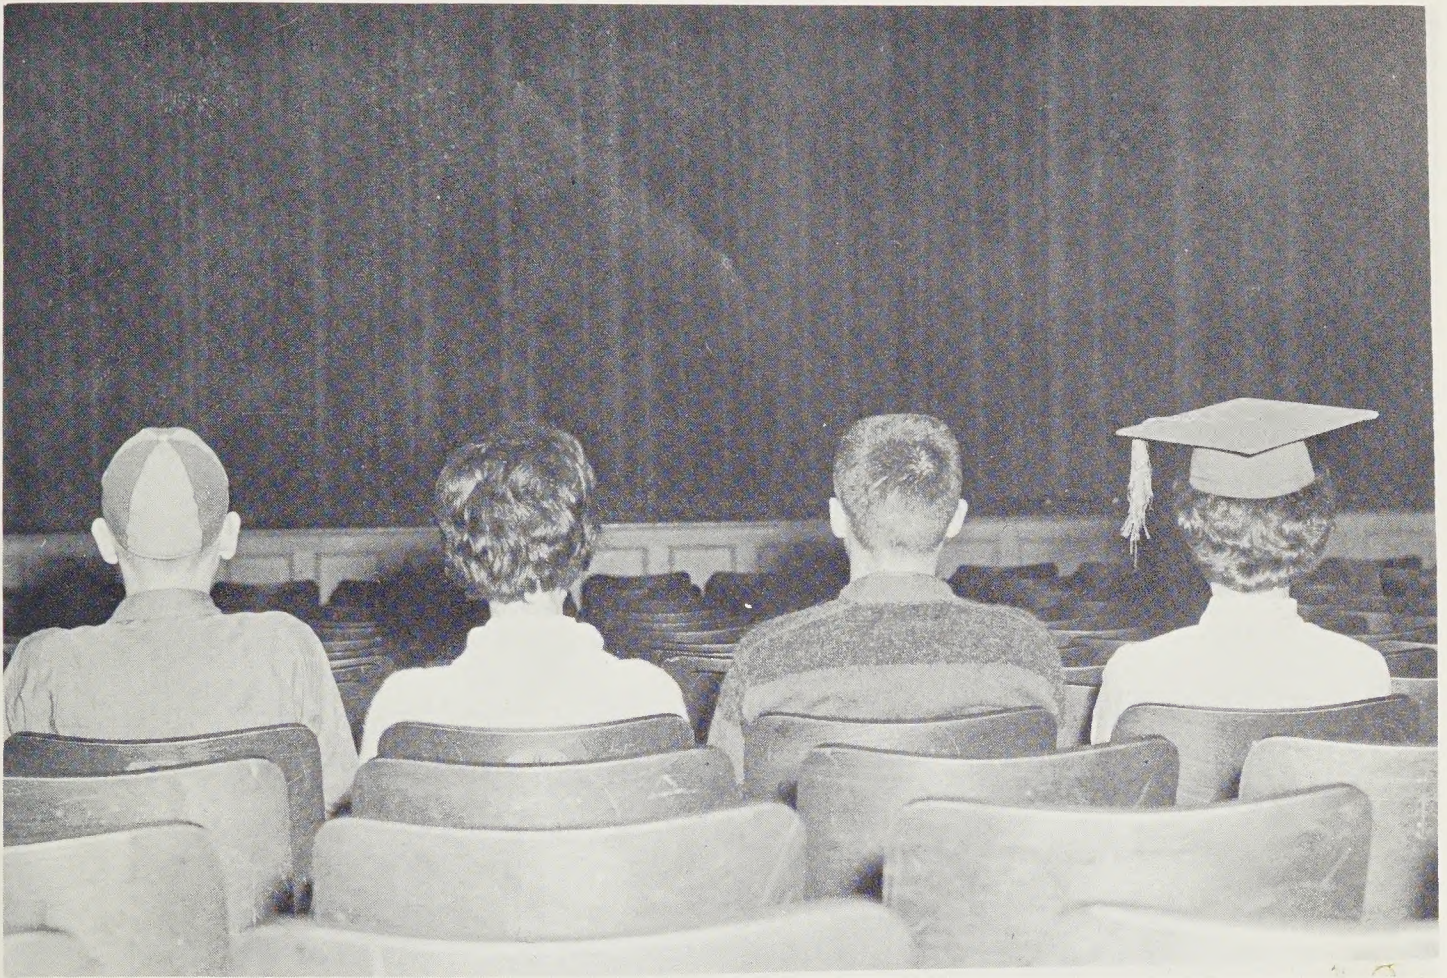

Dear Student Body,

When the dust has collected on the cover and the pages are worn from the turning of them, then you will stop and read the words on this page.

Within these pages come alive the congenial and informal atmosphere attributed to the life at Canton High School. Success, happiness, and melancholy are exemplified through such events as beating Waynesville, attending pep rallies, having freshman day, and graduating.

In the future when your high school years seem dim, we hope that this annual will rekindle the memories of C. H. S. 1962-63.

ADVERTISEMENTS

At C.H.S. we remember much . . .

We talked—but we listened also

*We studied
hard and
tried to
learn a lot.*

*We
laughed*

*at the
funny things
that happened,*

but we dreamed quietly of the future.

The work was hard,

so we took time out to play.

The Black Bear Staff

Meeting dead lines, taking pictures, writing copy, selling ads and subscriptions are a few of the complications that the BLACK BEAR STAFF faces.

The sponsors, Mrs. Churm and Mrs. Hyde, along with Assistant Editor David Owen, wait anxiously while Editor Cathy Hall checks on delivery date of the annuals.

Business Manager Blaine Hawkins, was caught in his usual pose--collecting money from Copy Editor Robin Scroggs, Lay-Out Editor Pat Edwards, and Photography Editor Nancy Scott.

The underclassmen members of the staff--Martha Walker, Carolyn Mashburn, Becky White, Robert Suttentfield, Rose Trantham, and Hannah Williams--look over a list of subscriptions.

In appreciation

for all she has done for us, because she is such a wonderful person and makes everyone love to be around her, we the annual staff of Canton High School lovingly dedicate the 1963 BLACK BEAR to Mrs. Aurelia Cathey. Mrs. Cathey is an expert on Roman literature, culture, and language. She has the dubious pleasure of taking her Latin classes to Raleigh to the Junior Classical League Convention.

*Here's to the Freshman year —
We're glad tis past
It's days are now history,
but those mem'ries will last.
We've erred, we've fallen,
we've slipped, we've flubbed —
"Just poor little Freshmen," —
that's how we've been dubbed!*

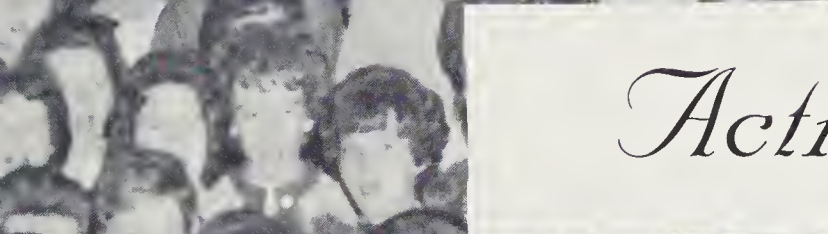

This was the year when. . . There were students, and pupils, and scholars everywhere! In the balcony, in the auditorium, in the stadium, in the restrooms---Everywhere!---The balmy autumn days and the star-spangled nights were too lovely to bear and Sandy teased her hair---The water cascaded from third to second to first and puddled up in Miss Gillis's room, but we did get beautiful and modern science labs---The two great nuclear powers were "eyeball to eyeball" and Kruschev blinked---"Carroll the Barrel" and all his little kegs had a concession stand---

William, Guy, and Coach Allen played a tremendous part in North Carolina's winning the Shrine Bowl as did the twelve members of Waynesville's Band that donned "Red and Black" uniforms---Two Miss Hi Misses---Aileen and Annie! And we didn't lack for variety in geometry professors---what a moist Christmas parade! Canton rated two new bridges and the seniors grappled with the college entrance exams---Lady Macbeth walked at midnight and tried to wash the blood from her hands---Mr. Stamey's history classes voted to ban nuclear testing---One day Mr. Hutchins reminisced in chapel as Joe presided as the president of the student body---The Christmas dance was a "Fantasy in Frost." Exams came to soon--some passed, some tumbled. Valentine's Day and Groundhog Day and the Ides of March came and passed---The elder classmen pilgrimaged to Washington and New York and espied many oddities; meanwhile, back at the ranch, the juniors struggled with the preparations of the prom---The class play erupted giggles and was dubbed the best ever---Graduation Day dawned and parting was joyful and saddish---This year's history.

This was the year when---

Activities

The Student Council

The Student Council of Canton High School was organized for several purposes. These include the promotion of safety by supervising students on the grounds and in the building, the maintaining of a high standard of citizenship, the promotion of student interest and participation in school activities, and the development of cooperation between faculty and students in promoting the general welfare of the school.

In an effort to fulfill some of its purposes, the Council each year is active in certain projects. Among these are the Freshman Hop, the Christmas Dance, the White Christmas program, the collecting for Junior Red Cross, and the making of tray favors for Oteen.

The Black Bear coaching staff and the co-captains worked with the team to make this an exciting season. Our coaching staff is one of the best, which was proved by having one of our coaches selected as head coach of the North Carolina Team in the Shrine Bowl. Our co-captains were chosen to lead our team, which they did well. One of them was also chosen to go to the Shrine Bowl.

Jerry you are a very upstanding nice looking good
natured well loved admired strong brave boy, which
I am proud to let ride my bus. Some one is talking to
me so I may get mixed up what? No Jerry don't run
Rabbits!! Now I will finish what I was saying. Jerry
anyone would be proud to have you as a classmate or
a friend. Well I guess I had better shut up it is time for
the bell!

Troy Williams

Well guess what the bell didn't ring so I can finish what
I was saying if this fool will leave me alone. No! I told you
Jerry don't he eats vegetables and he runs the football. Now
shut up so I can continue my discussion. I felt honored to be
mentioned in this great boy's ~~annual~~ annual. Jerry is the finest
young man I have ever met. He will be a great man one
of these days. I guess he will even take J. F. K. place one day.
Jerry is always helpfull up at shop he works hard and
make a lot of money ("sometimes"). Jerry gets along with everyone
except a certain cap which we want mention because Jerry
gets mad everytime someone says his name. Jerry is lifting
weights at Phil's and is developing very big muscles on his
well proportioned arms and body. He is very strong and
can handle himself very well.

I will always admire this noble boy.

hey..... Jerry,

Even though we have quarreled and been unhappy at times, it seems almost certain we will always be together. But I wish we could quit quarreling. I have had more fun while I have been going with you ^{more} than any other time, and hope you feel the same. Maybe when June comes everything will be O.K.

Remember don't be so jealous, next time.

Remember all the fun we have had on our dates, the good things - "Ha Ha" I know what you call good. The time we went to the drive-in and the car tou up and

Jerry there will always be a certain feeling in me, for you. Always remember that, no matter what happens.

Don't ever forget all our silly quarrels about our friends.

It's a grand old school,
And we'll follow it through;
We will fight for the red and the black!
We're from Canton High,
See our colors fly!
Canton is here to be seen,
So we give three cheers
For our four lucky years,
And the ones who have stood the test
Should old acquaintance be forgot?
Keep your eye on old C. H. S.
